

Schmetz

Schmetz Needle Display Module . . .

The most successful form of marketing sewing machine needles developed.

Already achieving strong sales growth for the many retailers now converted. Features a prominent display, that attracts customers to the best known brand of Sewing Machine Needle.

Main Benefits:

- The new display module is bright, attractive & prominent. Draws customers to the unit
- All needle types have explanation, application details and recommendation on the cards.
- Reduced inventory. The display module would reduce your stock levels by more than 50% yet retain minimum quantities and also increase the range and variety
- No minimum quantities
- High profit in comparison to other brands
- Complete range. No other brand can offer such a comprehensive range of types and sizes

EACH BOARD CONSISTS OF:

NEEDLE TYPE	SIZES	QTY/EACH
UNIVERSAL	60,70,80(x2)90,100,ASSORTED	5
